### QUARTERLY MEETING SERVICES

Rev. W McK. Brackney At Epworth Church.

Delivers a Very Able Sermon at the Evening Hour—Communion Service Was Held at the Morning Hour. Church News.

Rev. W McK. Brackney D. D. of Delaware, Ohio, delivered a most interesting sermon on "Revivals" at the Epworth M. E. church Sunday evening. Rev. Brackney said:

"No institution and no individual can hope for success unless a definite plan of work and effort is marked out to follow. So it is with the church. The church needs revivals. In a revival there are three things to aim at. First, the upbuilding of the general life of the church. Second, bringing back those who have wandered into sin. Third, the salvation of souls. What is a revival? Merely the upbuilding of the Christian life of the church, the broadening of Christian influence. In talking of revivals, we do not mean a great excitement that will sweep the people off their feet. We do not mean that we shall only get more names on the church record, or have more baptisms. Revivals should mean that the people should get God enthroned in their hearts. That is a revival that will stick. There is a class of people that we should especially strive to reach in a revival. They are the back-sliders. Here is a man who is going heaven-ward. But now he has turned his steps into the dark, and doomed to be lost unless we rescue him. Some people when they turn from God, try to go just as far in the opposite direction as they possibly can. But most back-sliders are hungry to get back into the fold. They may not tell of it, but deep down in their hearts is the inherent longing to be a Christian. I'm glad our church has a creed that will take back the backsliders. But, we must not depend on the church alone. Individual work is what we need. If we want to see our friends saved, we must work unceasingly for their salvation. God is not going to send a regiment of angels to do this business for us, we must go out into the world ourselves and labor. We must be willing to work, however, whenever, and wherever God needs us. He will only ask of us just what we can do. God, give us a heart to love our fellow-man and to serve God."

Quarterly meeting services were held in the Wesley and Epworth churches Sunday. Services were conducted in the morning at the Wesley M E. church by Rev. McCleary, assisted by Rev. Brackney, presiding elder, and at the Epworth church by Rev. D. H. Bailey and Rev. E. Webster.

## SHIPWRECKED BUT CLOSE TO BIG TIM

Safety—Thirty Sailors of the Preussen Are Lashed To the Rigging.

By United Press Wire. Dover, England, Nov. 7.—Within a stone's throw of safety, thirty members of the crew of the five-masted sailing schooner Preussen, the largest vessel in the world, are lashed to the rigging of the ship today, while great waves wash over them and threaten any moment to drown them. Lifeboats and staunch scowling nearby, leaving the gale, are hovering nearby, but would be dashed to pieces if they attempted to go alongside. The storm shows no signs of abating and it is not believed the men can hold on much longer. Along the shore thousands of persons have gathered to watch the dramatic scene, and though every man is willing to risk his life to save the imperiled mariners, not one can turn

### Beware of Ointments for Catarrh that Contain

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, is manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. a hand. The Preussen, a German owned vessel, early Sunday collided in the channel with the steamship Brighton. Neither ship seemed seriously damaged, the Brighton making port under her own steam. Nothing more was heard of the Preussen until she was dashed on the rocks at South Foreland, and it is surmised that her steering gear was disabled by the collision.

For hours tugs and tiny lifeboats braved the storm in an effort to take off the crew. Life lines were fired from shore, but for some unaccountable reason the crew failed to make them fast. The great ship is now breaking up. From the shore the sailors can be seen clinging to the rigging, with waves breaking over them. They have been in this exposed position thirty hours and it is not believed they can stick much longer.

The Preussen was built in 1902 and was the largest and fastest sailing ship afloat.

## HOCKING MAKES CHANGE OF TIME

Slower Schedule For Several Trains.

### BIG FOUR ENGINEER KILLED

Derailment Delays Traffic on Big 4.

Pennsylvania will put into effect a New Time Table the latter part of November—News of the Railroads.

The Hocking Valley put into effect a new time card on Sunday, making several changes in the running time of trains, slowing up the scheduled time of several of the trains between Columbus and Toledo. But one change is made in the leaving time of the southbound train, No. 20 which has been leaving at 5:45 a. m. daily will leave five minutes later. Of the northbound trains there is one change in the leaving time here, No. 31 at 7:07 which is seven minutes later than formerly. No. 35, arriving here at 4:15 p. m., now leaves Columbus at 2:55 p. m., instead of 3:05 p. m.

S. J. Bumgartner, storekeeper of the Erie at Gallon, W. P. Kimball, engineer, and Trainmaster Baldwin were in the city today on business. The railroads have not been greatly affected by the heavy snows in the east. Most of the through trains have been able to get through the blizzards without any serious delays.

The Pennsylvania railroad has announced a change of time for Nov. 7. It is expected that the two summer trains, No. 440, leaving here at 7:42 and No. 443 leaving here at 3:33 p. m. will be annulled. Other changes more adapted to travel during the winter will be inaugurated.

Running off the derail at Fortville Indiana, Big Four Engineer McNeff, a veteran in the company's service and well known here was killed Saturday night. Mr. McNeff lived at Bellefontaine. Traffic was delayed by the accident.

## BIG TIM SULLIVAN

Comes Out For Woman's Suffrage And to Make Gun-Toting a Felony.

By United Press Wire. New York, Nov. 7.—The gasp of astonishment that went up from big Tim Sullivan's balliwick along the Bowery today echoed to high heaven. Big Tim's followers had heard him say, with his own mouth, that he was going back to Albany to pass a law that would put "gun toters" in state's prison. Also they heard him say he was for "votes for women" and would urge a law granting the franchise of "de skirts." On the suffrage question, in his campaign closing speech last night, Sullivan said:

"A half dozen years ago, if you watched the crowds going to work, you saw one woman in twenty men. Now the numbers are almost equal. And if the women have to work for their living, they need all the support and protection they can get, and I'm going to help them get it."
